Thank you for your interest in High Country Online. We are a growing wireless broadband company that is seeking people who are interested in growing with the company. Currently we provide most of Johnson County, TN with wireless broadband service. We will be expanding to the surrounding counties soon.

We will soon be in need of installers and wireless technicians plus sales and marketing people. Everyone will receive on the job training, but specific personal dedication, willingness to contribute your talents and dedication to the company will come from you. Flexibility and problem solving skills are essential.

If you would like an application, please email nancykiffer@highcountryonline.net. Please email the same address or call 828-719-5229 or 423-291-4202 to schedule an interview.

We look forward to meeting you!
